

FEAR FREESM

Taking the pet out of petrified and putting the treat into treatment!

Pet's Name: _____ Date: ____ / ____ / ____

Before my appointment I prefer to wait in the: car lobby exam room outside other _____

My favorite treats are: _____

Other things I enjoy that distract me during medical procedures are: _____

I prefer to be examined: on the ground on the table on a non-slip mat or towel In a lap
 In my carrier other _____

Things my owner can do for my next visit to make it even more fun:

- Bring me a little hungry Call the front desk when we arrive in the parking lot Pheromones
 Bring my favorite treats and toy Bring a mat from home (things that smell like home help me relax)

My veterinarian suggests the following pre visit nutraceuticals/pharmaceuticals: _____

The following training services are recommended: Puppy or Kitten Classes Fun visits Victory visits
 Private sessions In home training
